

Today we launch „The 100-Challenge“

2 weeks to reach 100 entries on our platform MenTalkFeminism.com and win amazing prizes donated by our fantastic partners!

Here's how it works:

If you are a male-identifying pro-feminist guy who wants to use his voice for good:

1. Head to www.mentalfeminism.com and leave an entry by clicking on "Share my views" and answering the 3 questions in the form that pops up. (It's anonymous)
2. Once your entry is live share it on Insta, Twitter or Facebook (needs to be publicly accessible post) with the hashtags #MenTalkFeminism AND #BeyondMenandMasculinity to be in for a chance to WIN 1 of 3 great prizes below:

1. The Feminist Shop: The Feminist-gifts-for-Guys-bundle (book, pin and mask)
2. Rockefeller/HERE.together podcast: an exclusive MenTalkFeminism T-Shirt (perfect statement-piece)
3. The Future is Humane: 2 tickets to the July online-screening of their documentary "Beyond Men and Masculinity" (includes panel discussion)

Speak to your fellow men and help them expand their awareness around why feminism is for men too by speaking from your own experience and viewpoint. There is no right or wrong here. You don't need to have a degree in gender studies! Help us reach more men and get the conversation going whilst entering the prize draw!

Not good with writing? That's ok, to be in for a chance to win send us a video answering the 3 questions you see on the website Home-page, DM us and we'll get it uploaded onto the website!

If you identify as a woman why not challenge the guys in your network?

Hetero-Ladies with Boyfriends/hubbies: here's your conversation starter for tonight's dinner, you're welcome 😊.

Everyone, tag a friend below if you think they should take part and if you'd like them to participate in the prize draw!

The challenge runs until the 27th of June, so plenty of time to get in those 67 submissions needed for the 100 and more! How many can we get in this week?

Ready, set, go!

Spread the (F-)word! Share this post widely!
